Additional Memorandum Endorsements Warranties
and Conditions

Endorsement - Insurance Act 2015

It is hereby noted and agreed that the terms of the Policy shall be amended as stated below to certain provisions of the Insurance Act 2015 as if those provisions were already in full force and effect.

General

1. this Endorsement amends the Policy.

Basis clauses disapplied

2. the Company agrees that notwithstanding any other provision on the Policy, any provision in this Policy or any other document to the effect that a statement or statements made by or on behalf of the Insured (including but not limited to statements made in proposals for insurance) form part of or are the basis of the Policy shall be of no effect.

Warranties rendered suspensory

3. the Company agrees that, where there has been a breach of a warranty in the Policy which would result in the Company being automatically discharged from any liability, such a breach shall result in any liability of the Company under the Policy being suspended only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied, if it can be remedied, with the result that the Company will have no liability to the Insured for any loss which occurs, or which is attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

4. Where there has been a breach of a term on the policy, whether express or implied, other than a breach of a term that defines the risk as a whole, and compliance with such term would tender to reduce the risk of loss of a particular kind and/or loss at a particular location and/or loss at a particular time, the Company shall not be permitted to rely on the breach of the term to exclude, limit or discharge its liability under the Policy if the Insured shows that the breach of such term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

The Company's remedy for non-disclosure and/or misrepresentation

- 5 If the Insured or its agent to insure negligently or innocently fails to disclose and/or misrepresents a material circumstance prior to entering into this Policy the following provisions apply:
 - a) If, but for the said failure to disclose and/or misrepresentation, the Company would not have entered into the Policy on any terms, the Company may avoid the Policy and refuse all claims, but must in that event return the premiums paid.
 - b) If, but for the said failure to disclose and/or misrepresentation, the Company would have entered into the Policy, but on different terms (other than those relating to the premium), the Policy is treated as if it had been entered into on those different terms if the Company so requires.
 - c) In addition, if, but for the said failure to disclose and/or misrepresentation, the Company would have entered into the Policy (whether the terms relating to matters other than the premium would have been the same or different), but would have charged a higher premium, the Company may reduce proportionately the amount to be paid on a claim, such proportionate reduction to be calculated in accordance with the formula set out in paragraph 5d) below.
 - d) In paragraph 5c) above "reduced proportionately" means that the Company need pay on the claim only X%, of what it would otherwise have been under an obligation to pay under the terms of the Policy (or, if applicable, under the different terms provided by paragraph 5b) above) where:

Policy Schedule

$$X = \frac{\text{Premium actually charged}}{\text{Higher Premium}} \times 100$$

The Company's remedy for non-disclosure and/or misrepresentation in relation to variation

Premium increased or not charged

6. If the Insured or its agent to insure negligently or innocently fails to disclose and/or misrepresents a material circumstance prior to a variation of this Policy and the total premium was increased or not charged as a result of the variation the following provisions apply:
- a) If, but for the said failure to disclose and/or misrepresentation, the Company would not have agreed to the variation on any terms, the Company may treat the Policy as if the variation was never made, but must in that event return additional premium paid.
 - b) If, but for the said failure to disclose and/or misrepresentation, the Company would have agreed to the variation on different terms (other than terms relating to the premium), the variation is to be treated as if it had been entered into on those different terms if the Company so requires.
 - c) In addition, if, but for the said failure to disclose and/or misrepresentation, the Company would have agreed to the variation (whether the terms relating to matters other than the premium would have been the same or different), but would have increased the premium or increased the premium by more than it did the Company may reduce proportionately the amount to be paid on a claim arising out of events after the variation in accordance with the formula set out in paragraphs 8 and 9 below.

Premium reduced

7. If the Insured or its agent to insure negligently or innocently fails to disclose and/or misrepresents a material circumstance prior to a variation of this Policy and the total premium was reduced as a result of the variation the following provisions apply:
- a) If, in the absence of the said failure to disclose and/or misrepresentation, the Company would not have agreed to the variation on any term, the Company may treat the Policy as if the variation was never made and may reduce proportionately the amount to be paid on a claim arising out of events after the variation in accordance with the formula set out in paragraphs 8 and 9 below.
 - b) If, in the absence of the said failure to disclose and/or misrepresentation, the Company would have agreed to the variation on different terms (other than terms relating to the premium) the variation is to be treated as if it had been entered into on those different terms if the Company so requires.
 - c) In addition, if, in the absence of the said failure to disclose and/or misrepresentation, the company would have agreed to the variation (whether the terms relating to matters other than the premium would have been the same or different), but would have increased the premium or would not have reduced the premium or would have reduced it by less than it did the Company may reduce proportionately the amount to be paid on a claim arising out of events after the variation in accordance with the formula set out in paragraphs 8 and 9 below.
8. In paragraphs 6c), 7a) and 7c) above "reduced proportionately" means that the Company need pay on the claim only Y% of what it would otherwise have been under an obligation to pay under the terms of the Policy (whether on the original terms, or as varied, or under the different terms provided for by virtue of paragraphs 6b) or 7b) as the case may be), where:

$$Y = \frac{\text{Total premium actually charged}}{P} \times 100$$

9. In the formula in paragraph 8 above, "P":

- a) in the paragraph 6c) case is the total premium the Company would have charged;
- b) in a paragraph 7a) case is the original premium;

Policy Schedule

- c) in a paragraph 7c) case, is the original premium if the Company would not have changed it, and otherwise the increased or (as the case may be) reduced total premium the Company would have charged.

All other terms and conditions remain unaltered.
